REPORT

S.2, Special Branch Section

Date February 20th 1934

Subject (in full) Enquiry from Netherlands Consulate-General  
regarding one Philippovitch.

Made by D.S. Jones

Forwarded by D. G. Lowrest.

Enquiries made by the undersigned in connection with the above show that there is a man named A.A. Filipovitch, age 43 Years, who describes himself as a Serbian, residing at Lane 24, House No.1, Ward Road.

This individual, who in all probability is identical with the Philippovitch described in the attached letter from the Netherlands Consulate-General, is reported to have arrived from Foochow on January 21, 1934 together with a Russian named Skubin-Makaroff. The two share the same room at No.1 Ward Road.

These two men are understood to be heavy weight lifters and wrestlers by profession. At present they are rather short of cash, so they say, and have announced their early departure for Manila, where they expect to take part in the fetes shortly to take place in that city.

There is nothing in our records to the detriment of Filipovitch.

D. S.

Officer i/c Special Branch.
